Chapter 10: Night

CONTENTS 6 exercises · 11 questions

10.1	Let us think — A. Answer the following	3 Q
10.2	Let us think — B. Think and answer	4 Q
10.3	Let us do — I Spy game	1 Q
10.4	Let us speak — Blends sp, st, sk	1 Q
10.5	Let us learn — A. Words found in the sky	1 Q
10.6	Let us learn — B. Sun compound words	1 Q

10.1 Let us think — A. Answer the following

Q1 Where does the Sun go after the end of the day?

The Sun sinks behind a distant hill at the end of the day.

Q2 Which among the following needs the Sun? Why? (a) sunflower (b) toys (c) plants (d) table (e) children

The sunflower (a), plants (c), and children (e) need the Sun. Sunflowers and plants need sunlight to grow, and children need sunlight to stay healthy and get vitamins.

Q3 The poem talks about the Sun in the sky. What else do you see when you look up at the sky?

Sample answer: When I look up at the sky, I see the Moon, stars, clouds, and sometimes birds flying. During the day I also see rainbows when it rains.

10.2 Let us think — B. Think and answer

Q1 What different colours do we get to see during sunrise and sunset?

Sample answer: During sunrise and sunset the sky shows beautiful colours like orange, pink, red, yellow, and purple.

Q2 What do you see when you look at the sky at night?

Sample answer: When I look at the sky at night, I see the Moon and many twinkling stars. Sometimes I also see clouds.

Q3 How do you feel when you open your eyes in the morning?

Sample answer: I feel fresh and happy when I open my eyes in the morning. I look forward to the bright new day.

Q4 Imagine a day when the Sun doesn't come out. Talk about how the day would be.

Sample answer: If the Sun does not come out, the day would be very dark and cold. Plants would not get light to grow, and we would all feel gloomy.

10.3 Let us do — I Spy game

Q1 Let's play a fun game called "I Spy"! Take turns being the Spy, choose something in the room, and give clues for others to guess.

Play the game with your classmates. The Spy says 'I spy with my little eye something that is...' and gives a clue (such as colour or shape). Others guess the object.

10.4 Let us speak — Blends sp, st, sk

Q1 Read the sentence: I spy a few stars in the sky. The word spy begins with sp, stars begins with st, sky begins with sk. Now say these words aloud: Star, Storm, Store, Stain, Stick, Stair, Spoon, Splash, Spin, Skin, Skate, Sky.

Say each word clearly, stressing the blend at the start: st- words (Star, Storm, Store, Stain, Stick, Stair), sp- words (Spoon, Splash, Spin), sk- words (Skin, Skate, Sky).

10.5 Let us learn — A. Words found in the sky

Q1 Read the following words and circle the words that are found in the sky: Stars, Storm, Store, Stain, Sun, Bicycle, Moon, Rain, Clouds, Flowers, Rainbow, Monkeys, Computer, Shoes.

The words found in the sky are: Stars, Sun, Moon, Rain, Clouds, Rainbow. (Circle these six words.)

10.6 Let us learn — B. Sun compound words

Q1 Add 'Sun' to the following words to make new words: light, flower, rays, rise, glasses, day, set.

Sunlight (done), Sunflower, Sunrays, Sunrise, Sunglasses, Sunday.
